Customers who applied for an electricity supply contract with our company between May 1, 2024 and July 30, 2024.

1. Changes to Important Contract Terms (Low Voltage) (Important Information After Revision)

This document is provided by Arcana Energy Co., Ltd. (hereinafter referred to as "the Company"), a retail electricity provider, in accordance with Article 2-14 of the Electricity Business Act. By issuing this "Changes to Important Contract Terms (Low Voltage)," the Company hereby explains important matters concerning changes that will apply starting from the billing for (____ year, ____ month), which is the month that falls three months after the month containing the first anniversary of the supply start date under the electricity supply agreement already concluded between the Company and the customer.

For details of the changes, please refer to the comparison table of the old and new important contract terms below. Please be sure to read this document carefully, review its contents, and provide your acknowledgment and understanding.

1. **Your Supply Point Identification Number under the Contract**

This will be the Supply Point Identification Number stated in the notice confirming your application details.

2. **Details of Changes to the Contract (Underlined portions indicate changes)**

(Changes are underlined)
